

## MACRo 2011 - Best Paper Award

Beginning with the 3<sup>rd</sup> edition, the MACRo Program Committee will select one paper from each section of the ***International Conference on Recent Achievements in Mechatronics, Automation, Computer Science and Robotics***, to be honored with a Best Paper Award.

The winners will be selected based on reviewers' recommendation and the quality of the oral presentation of the paper.

For a paper to gain this award one of the authors has to be registered at the conference and must present the paper.

The winners will be announced during the closing ceremony of the conference and the best paper awards will also be posted on the Conference website.
