Industry vendors are kindly encouraged to sustain presentation in the University Aula during the conference, on 27th October.

Exposition stand (desk, chairs, poster wall) will be available on request.

The language of the Conference is English.

Industry vendors are also encouraged to present their job opportunities to graduating BSc and MSc students.

For presentations and/or exposition there are no fees, but even so, the organizing committee shall be grateful for any sponsorship. The sponsoring company logo, short presentation and web link will be posted on the Conference website and in the Conference Proceedings.

For any question or presentation registration please contact:

Parallel session: Industrial reality

The 6th International Conference on Recent Achievements in Mechatronics, Automation, Computer Sciences and Robotics (MACRo2017) will be held at [SAPIENTIA University, Tîrgu Mureş](http://www.sapientia.ro) on 27-28th October, 2017.

Contributions based on theoretical research, simulation, experimental work, design, development, testing and measurements are invited for presentation at the conference.

The conference topics include, but are not limited to:

- Mechatronic systems
- Mechanical engineering
- Manufacturing
- Automation
- Computer science
- Robotics
- Information technology
- Telecommunication
- Electrical and electronics engineering

Prospective authors are asked to submit a short (4-8 page length) or a long (minimum 8 page length) English language paper according to the template found on the conference website.

Accepted short papers will be included in the MACRo 2017 CD-ROM Conference Proceedings (with ISSN number) and published by [DE GRUYTER OPEN](http://www.degruyter.com) as the previous [Macro 2015](http://www.macro2015.ro) Proceedings.

After the reviewing process, accepted long papers will be published in the [Acta Universitatis Sapientiae](http://www.actauniversitatis.sapientia.ro), the international scientific journal of the Sapientia University, [Electrical and Mechanical Engineering](http://www.electricalandmechanicalengineering.ro) series.

For more information please address your questions to macro@ms.sapientia.ro.
